Discover all the very best of Alaska with Princess®

The vast silence is broken only by the sound of a pod of orca surfacing in the glassy water. Gazing skyward, you see a lone bald eagle circling above the forested shore, then climbing toward the glacier-crowned mountains. This is Alaska — epic, majestic and unspoiled — a place most people only dream of visiting. And when you come here with Princess®, you'll find reality exceeds every expectation.

See the most with a cruisetour. There's a lot to see in Alaska, so we invite you to make your vacation an in-depth Princess cruisetour. On one of these immersive land and sea packages, you'll experience the best sights by ship, rail and lodge. You'll sail the Inside Passage and Gulf of Alaska, witnessing wildlife, glaciers and towns infused with frontier flavor. And you'll board a comfortable glass-domed railcar to be whisked across the dazzling heart of Alaska with our exclusive Princess Rail.

Our Voyage of the Glaciers itinerary offers two glacier viewing experiences in Glacier Bay, plus either College Fjord or Hubbard Glacier.

Every cruisetour features at least two nights at one or both of our Denali-area lodges, and most include our exclusive Direct-to-the-Wilderness® same-day rail service to get you there.

And each of our cruisetours includes Alaska's two greatest sights — breathtaking Glacier Bay National Park on your cruise, and magnificent Denali National Park on your land tour. You'll also find cruisetours that go on to Princess lodges at Copper River and the Kenai Peninsula, or beyond to the Arctic Circle's Prudhoe Bay.

Our Alaska voyages are without peer — with an array of choices to match your schedule and what you'd most like to see. Sail on small and large ships from convenient ports like Seattle, San Francisco and Vancouver, and ranging from seven days to our fabulous 14-day Connoisseur Voyage.

Whether you choose a cruise or cruisetour, you'll soon realize why Princess is consistently named "Best Cruise Line in Alaska" by readers of *Travel Weekly*. There's no better host for the best of Alaska's many attractions.

Monumental Margerie Glacier in Glacier Bay National Park is a featured highlight on an exciting selection of 7-, 10- and 14-day cruise itineraries.

Epic glaciers and spectacular views — Alaska, as seen from your ship

You step out on the deck of your Princess ship and are greeted by a sight more awe-inspiring than you could've even imagined — the magnificent blue crystal walls of a 10-story-tall river of ice descending to the green tidewater — an Alaskan glacier in all its majesty.

And yet even before you arrived at this point, you have already seen so much — playful humpback whales breaching the water, lazy sea otters lounging on their backs in the kelp, jewel-like islands and pristine shores. Alaskan experiences you can only have traveling by sea.

They'll take your breath away — Alaska's stunning glaciers — as you watch icebergs calve with a mighty crack and enormous splash. And Princess provides ample opportunities for you to see these sensational attractions up close.

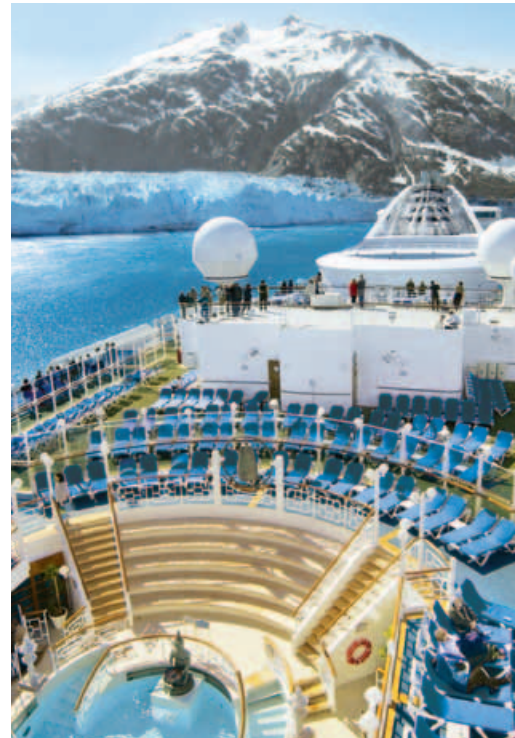

You'll witness ice-age marvels in Glacier Bay National Park, a sprawling, unspoiled wilderness where fabled Margerie Glacier — one of the Great Land's most photographed icons — and other dazzling natural wonders await.

In Prince William Sound's awe-inspiring College Fjord, you'll be treated to scenic sailing alongside the 16 giant glaciers named for some of the nation's great colleges.

Viewing time at the incredible Hubbard Glacier is a highlight of certain itineraries — this is the longest tidewater glacier in Alaska, with an open calving face over six miles long.

Many of our voyages feature Tracy Arm Fjord — yet another of Alaska's geological wonders, a stunning passageway of granite walls, waterfalls and the gorgeous twin Sawyer Glaciers, whose advance and retreat over the centuries formed this beautiful fjord.

With so much to see, choose an affordable balcony stateroom, ensuring you have your own front-row seat for all the action. It's also the only way to partake in a Princess Alaska exclusive while in Glacier Bay — the unique Glacier Bay Champagne Breakfast, served out on your balcony.

An introduction to Glacier Bay National Park — with a park ranger onboard during every visit

"Glacier Bay National Park and Preserve is one of America's greatest treasures — 3.3 million acres of magnificent wilderness, with thundering tidewater glaciers, as well as orca and humpback whales, sea otters, porpoises, harbor seals, moose, mountain goats, and black and brown bears, to name a few of the creatures that live here. As a park ranger who also calls this majestic place home, it is always my privilege to introduce Glacier Bay to people who may be seeing it for the first time."

— David Dayette, National Park Ranger, Glacier Bay

Zip-line adventures and an incredible variety of other optional shore excursions enhance your Alaska vacation. See pages 54-55 for details.

An Alaska celebrity shares her stories with you —
as Libby Riddles joins your ship in Juneau

"I moved to Alaska just before my 17th birthday, and I'm still amazed by the beauty of this place. Training for and winning the Iditarod gave me a new respect and understanding of just how vast and unspoiled the state is. Every time a Princess ship visits Juneau, I love to come onboard and share my stories with the guests."

— Libby Riddles, first woman to win the Iditarod® sled dog race

Get to know the real Alaska — with enlightening days in port

Every voyage introduces you to the 49th state's uniquely individualistic people, history, lifestyle and culture with enjoyable stops in colorful frontier towns along the Inside Passage.

Historic Skagway is like a postcard from Alaska's Gold Rush past — complete with wooden sidewalks, restored storefronts and saloons with histories as colorful as the people you'll meet here. You can delve into the city's past with a ride on the historic White Pass & Yukon Route Railroad. Onboard, enjoy the stories and songs of local legend, Steve Hites while he visits the ship in port.

In Ketchikan, take a leisurely stroll along the shops of Creek Street — just save time to attend the onboard presentation from an interpreter about nearby Tongass National Forest, the largest in the U.S.

And in the state's charming capital of Juneau, you can set out for Mendenhall Glacier — the only "urban" glacier in Alaska — or stop into the fabled Red Dog Saloon for a local Alaskan microbrew.

Optional shore excursions are offered at each port and provide immersive adventures in Alaskan discovery. You can get a taste for local customs and culture, explore the region's natural wonders, take to the water or get a spectacular overview from the sky — with activities ranging from relaxing to vigorous.

Turn to pages 54-55 to learn more about the types of options you'll find in each port of your cruise. Complete listings of activities by port can be found at princess.com.

Go Direct-to-the-Wilderness® — for more time at Denali

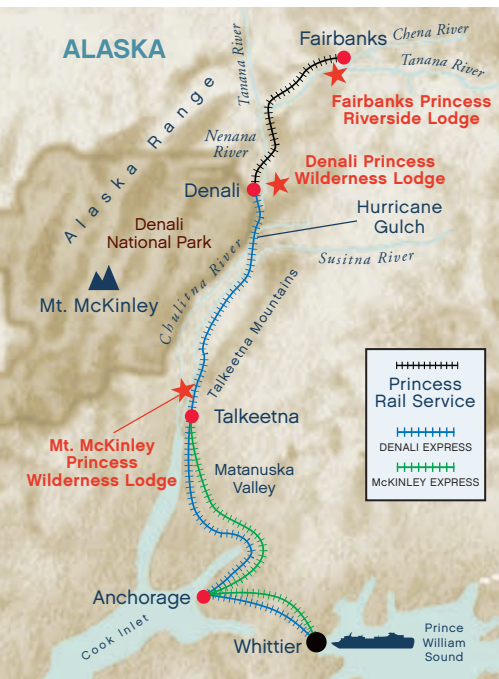

“Denali” means “The Great One” in the language of the local people, an apt reference for one of Alaska’s most amazing places. With Princess, Denali National Park is a highlight of every cruisetour.

Only Direct-to-the-Wilderness® rail service gets you there faster — from ship-to-train-to-lodge the very same day. This exclusive service means you get to spend more time at Denali and less in transit.

Stepping off your ship, you’ll board a glass-domed railcar for a breathtaking ride through the Alaskan interior on your way to Denali. With Princess as your host, you’ll enjoy the expert commentary of guides pointing out sights of interest, and the same wonderful Princess service you experience on your voyage.

Enjoy up to four nights at a Princess® lodge near Denali National Park — the Denali Princess Wilderness Lodge® or Mt. McKinley Princess Wilderness Lodge® (or a combination of both).

You’ll be with Princess every nautical mile and each historic bridge span of the way, and will be welcomed into the comfortable environment of a Princess lodge once you’ve arrived. It’s a spectacular, seamless experience that only Princess can offer.

Tracking with history on a Princess Rail journey

It’s a journey as historic as it is scenic — for this is the route of the famous Alaska Railroad, bringing together several of the region’s rail lines into one storied route, completed in 1923. Carving through some of the state’s most picturesque and unspoiled countryside, it’s also a journey of unparalleled scenic beauty.

The Alaska Railroad is one of the state’s top tourist attractions — and fortunately for Princess guests, it’s a feature of every one of our cruisetour vacations, with guides onboard to offer commentary about wildlife and landmarks.

Settle into your comfortable seats, order a drink or some snacks, and sit back for a stunning adventure in a glass-domed Princess railcar.

Direct-to-the-Wilderness rail meets your ship at the dock in Whittier and takes you through the majestic wilderness for more time at Denali National Park.

The Denali experience — the pinnacle of your journey

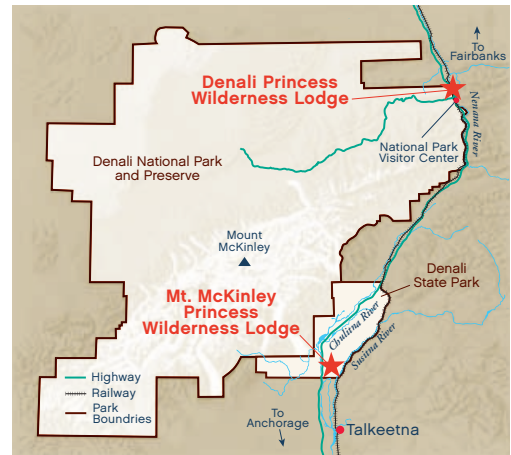

Six-million acres of untouched wilderness and majestic 20,320-foot Mt. McKinley — you've arrived at Denali National Park.

It's a place where caribou are more numerous than people, where bears fish along streams and moose roam pristine meadowlands, where the grey wolf wanders freely and that white dot on the side of a rocky plateau is likely to be a Dall sheep. Denali National Park is a destination we know well — and a highlight of every Princess cruisetour.

All Princess cruisetours take you to the splendor of Denali National Park.

Only Princess brings you such a complete experience of Denali.

This is a place of unlimited possibility. And we can help you make the most of it, introducing you to all the nature, incredible vistas and exciting activities you've traveled this far to enjoy.

We put you up at the best addresses — our Denali Princess Wilderness Lodge® and Mt. McKinley Princess Wilderness Lodge®, two distinctly unique properties built by Princess in spectacular riverside locations. And all our cruisetours offer at least two nights at Denali to ensure you get to experience a true sense of the place.

When adventure beckons you into the park, Princess can help you enhance your time at Denali with a wide range of activities and excursions available from the lodges. Set out hiking on quiet nature trails, go horseback riding or river rafting, take a flightseeing tour high above Mt. McKinley's peak, or perhaps fly-fishing.

A popular park tour is included with every cruisetour. We give you the flexibility to choose your preferred experience from several unique tour options, including a Natural History Tour, the Tundra Wilderness Tour, Experience Denali with Alaska Geographic and Kantishna Experience. At the end of each day's adventure, you'll have a welcoming, comfortable Princess lodge to return to.

A world of active options on the doorstep of Denali

Our Denali Princess Wilderness Lodge® is the perfect home base for exploring the wonders of Denali National Park.

Located along the Nenana River canyon, only a mile from the entrance to the park, this property offers an expansive campus of lodging and amenities set in a spot so picturesque you'll find it difficult to stay indoors. Unless, of course, you're in the dramatic two-story Main Lodge with its mood-setting stone fireplace and floor-to-ceiling windows bringing the views inside. You can also delight in dining at the King Salmon Restaurant and other spots like the Base Camp Bistro, shopping for souvenirs in the stores and sharing the sensational splendor of nature with other guests out on the riverside deck. And don't miss the entertaining "Music of Denali" dinner theater.

When you're ready to get out into the wilderness, a selection of the best adventures and excursions (see pages 54-55) is awaiting you, from rafting and flightseeing, to back country hiking and jet boat fly-fishing. And every itinerary includes a fabulous guided tour into the park to complete your Denali experience.

Denali Princess Wilderness Lodge

Mt. McKinley Princess Wilderness Lodge

Settle in to a relaxing stay where Mt. McKinley is the star

Another kind of experience awaits you at our other wilderness lodge at the south side of Denali National Park. At the stately Mt. McKinley Princess Wilderness Lodge® it's all about the mountain. You'll find a true wilderness retreat surrounded by panoramic vistas of the most inspiring scenery in all of Alaska. This is a place to sit back and take it all in.

No matter where you may be, Mt. McKinley is never far from view.

Savor the vistas from a wealth of different perspectives — out on the expansive deck with a glass of wine, from a cushy overstuffed chair by the massive free-standing rock fireplace in the Great Room, where towering windows perfectly frame the mountain, or while you dine at the 20,320 Alaskan Bar & Grill — so named for the mountain's elevation. Outside, the Botanical Loop offers a great way to mountain gaze while strolling in the fresh open air of the Alaska interior.

Copper River Princess Wilderness Lodge

Uncover the massive sights of Copper River & Wrangell-St. Elias

Prepare to be taken by the grandeur of this region, including famous Copper River and epic Wrangell-St. Elias National Park — the largest park in the U.S. and home to nine of the country's 16 highest peaks. Even getting here is memorable — as a high-speed catamaran ferries you across Prince William Sound and you board a motorcoach to cross dramatic Thompson Pass.

Our Copper River Princess Wilderness Lodge, inspired by the architecture of the storied Kennecott mine, welcomes you with trademark Princess hospitality and incredible views of Mts. Drum, Wrangell and Blackburn. Set at the confluence of forest and river, the lodge blends timber and glass, copper and stone, in such amenities as the inviting Two Rivers Restaurant and casual Whistle Stop Bar & Grill, the two-story Wrangell Room and a spacious outdoor terrace. During your stay, choose from optional activities which include fishing for Copper River's fabled salmon, flightseeing, hiking and more.

Copper River is featured on Cruisetours H and L.

“Alaska’s Playground” beckons — the gorgeous Kenai Peninsula

The idyllic Kenai Peninsula is considered Alaska’s playground. From the moment you arrive, you’ll understand why. This destination impresses with its mountains and forests, stunning rivers and the region’s main attraction — breathtaking Kenai Fjords National Park, a nature lover’s paradise teeming with wildlife. Have your camera ready for the journey to Kenai, as you sightsee by motorcoach along a sensational National Scenic Byway.

Arriving at our Kenai Princess Wilderness Lodge®, you’ll find an authentic mountain-lodge ambience that perfectly reflects the surroundings with the Kenai River — a dazzling shade of turquoise blue — just below. You’ll find your bungalow-style room is a cozy private oasis, with its wood-burning fireplace and outdoor sun porch. You can dine on Alaskan cuisine at the Eagle Crest Restaurant, or wind down with a cocktail at Rafter’s Lounge. Optional activities like river rafting, flightseeing, whale watching and fishing let you experience the area.

Kenai is featured on Cruisetours I, L and M.

Kenai Princess Wilderness Lodge

Every cruisetour with Fairbanks on the itinerary includes a Sternwheeler Riverboat Cruise.

Alaska's history lives in Fairbanks

"All the goods for Alaska used to be shipped on the rivers. My grandfather worked as a riverboat captain hauling supplies to the villages along the Yukon. After the railroads were built, he continued as a riverboat captain. Only he offered a tour. Instead of hauling freight, he carried passengers. We still do that, and try to give our guests an experience of what it was like to sail the rivers during the Gold Rush."

— Ryan Binkley, 4th Generation Riverboat Captain, Fairbanks

Explore other sides of Alaska

Beyond the glaciers and fjords of the Inside Passage and the wilderness of Denali National Park, there are other sides of Alaska to see — like the vibrant city of Anchorage, remote Prudhoe Bay and the Arctic Circle and frontier-flavored Fairbanks. And Princess has cruisetour options that take you to all these destinations.

Guests on a cruisetour that visits Fairbanks — the Golden Heart City — will find authentic frontier-style hospitality deep in the heart of Alaska's interior. Every tour here includes an authentic Sternwheeler Riverboat Cruise, on which you'll see a bush pilot demonstration, visit a real Athabascan village and tour the kennels of the late Susan Butcher, four-time Iditarod® champion.

In Anchorage, you'll enjoy such pursuits as a moving performance by native dancers, musicians and storytellers at the Alaska Native Heritage Center. As this is the "Gateway to the Wilderness," nature beckons from both the Chugach Mountains and Redoubt Bay, where you can set out on an excursion to look for bears or go whale watching.

Deep inside the Arctic Circle lies Prudhoe Bay, home to vast herds of migrating caribou and other Arctic inhabitants. Our cruisetours to Prudhoe Bay are rated #1 for wildlife viewing. And here within the Land of the Midnight Sun, you'll cross the North Slope for a visit to Prudhoe Bay's renowned oil fields on the shoreline of the Arctic Ocean. It is from here that the fabled Trans-Alaskan pipeline begins its southward journey.

Prudhoe Bay is featured on Cruisetour J, see page 40.

Cruises — into the majestic

College Fjord is a highlight on select Voyage of the Glaciers itineraries.

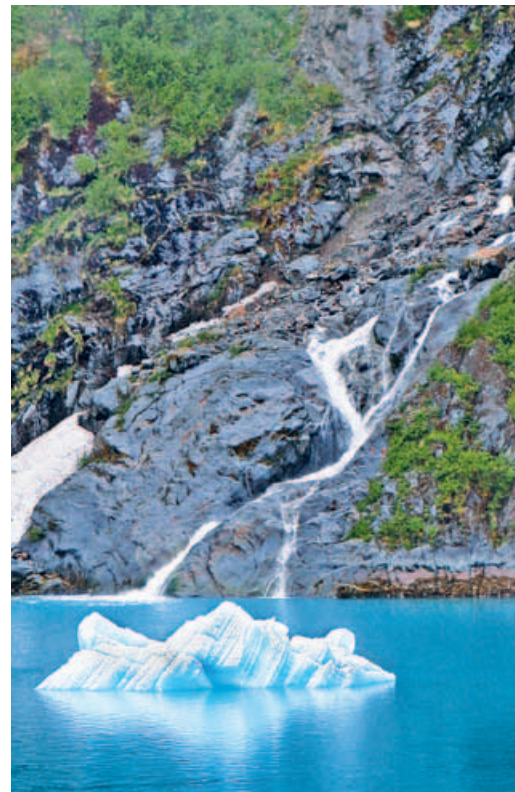

There are parts of Alaska you can set eyes on only from the water. And there's no cruise line with as much expertise in this magical region as Princess® — continually named “Best Cruise Line in Alaska” by readers of *Travel Weekly* magazine.

Cruise among giants on the Voyage of the Glaciers. On our signature itinerary — the 7-day Voyage of the Glaciers — you'll sail further north into the Gulf of Alaska and be treated to two days of scenic sailing in the presence of glaciers on every voyage. You'll sail into Glacier Bay National Park, and either College Fjord or Hubbard Glacier depending on your itinerary. You'll also call in popular ports like Ketchikan, Juneau and Skagway — with the option of continuing on land with an immersive cruisetour.

Wondrous waterways of the Inside Passage. The inlets, islands and waterways of Alaska's awe-inspiring Inside Passage provide one of cruising's most picturesque routes. Choose from 7-day voyages roundtrip from Seattle, or 10-day sailings roundtrip from San Francisco. Each visits the region's quaint ports, plus either stunning Glacier Bay National Park or Tracy Arm Fjord.

See the most on a Connoisseur Voyage. Our 14-day Connoisseur Voyage combines Alaska's best seafaring sights and its less-visited jewels, with visits to seven ports of call — including Kodiak, Seward and Icy Strait Point — and of course, unforgettable Glacier Bay National Park and spectacular Tracy Arm Fjord.

Visit Tracy Arm Fjord on select Inside Passage and Connoisseur Voyage sailings.

Great rivers of ice greet you on a Voyage of the Glaciers

Many people visit Alaska specifically to see the region's incredible glaciers. And we created this itinerary to satisfy that interest. Between Vancouver and Whittier lie the attractions of the Inside Passage and the Gulf of Alaska — and with seven days you'll experience both, including two memorable days of scenic glacier viewing.

Walls of blue. Nothing can quite match your first glimpse of a tidewater glacier — a glimmering crystal-blue river of towering ice descending into an ocean inlet. And should that glacier calve, you'll hear a sound to match. Each Voyage of the Glaciers departure gives you a full day of cruising in Glacier Bay National Park, plus a second experience of either the 16 glaciers of College Fjord or the epic grandeur of Hubbard Glacier.

Explore on shore. You'll also visit three of Alaska's most iconic towns — Skagway, Juneau and Ketchikan, where excursions from dog sledding to glacier trekking await. And you can combine this itinerary with a land tour for an in-depth land-and-sea cruisetour vacation. See page 18 for details.

Every Voyage of the Glaciers itinerary features scenic sailing in Glacier Bay National Park and offers a variety of affordable balcony staterooms for a personal view.

Sailing through the narrow granite walls of Tracy Arm Fjord is a featured experience on select Inside Passage itineraries.

The Inside Passage calls to you from Seattle or San Francisco

These are serene waters, where one moment you can be sailing a wide bay of barrier islands, and the next you're cruising through a narrow waterway flanked by towering forested walls. On the Inside Passage, the scenery is constantly changing. And you can discover it with convenient departures from Seattle or San Francisco.

Seven days from Seattle. Take a wonderful week's vacation roundtrip from Seattle to one of Alaska's most picturesque regions. In addition to visiting three towns of the Inside Passage — Skagway, Juneau and Ketchikan — you'll spend a day in glorious Glacier Bay or sail the 26-mile passageway of Tracy Arm Fjord, depending on itinerary. And you'll call in British Columbia's lovely Victoria.

Setting out from the City by the Bay. Enjoy 10 days sailing the Inside Passage from San Francisco. You'll have relaxing sea days at both ends of your voyage, with Victoria, Juneau and Ketchikan on every sailing — plus either Skagway, Haines or Icy Strait Point, and scenic cruising in either Glacier Bay or Tracy Arm Fjord.

Optional activities bring your Alaska experience to life

There's so much to see in Alaska that it's hard to plan on your own. Which is why Princess® offers an incredible variety of shore and land excursions designed to introduce you to the most iconic Alaskan experiences in every destination you visit on your cruise or cruisetour.

Awaiting you at each port are excursion options for every interest and activity level. Some guests will thrill in pushing their physical limits with a day of kayaking along a fjord or trekking on the face of a glacier, while others might prefer a cultural performance or panning for gold in authentic Gold Rush style.

And when you arrive at your Princess lodge or other destinations on your land tour, the selection of options is equally intriguing — from salmon fishing or bear watching to flightseeing high above Mt. McKinley or riding horses along a trail deep in a remote and quiet wilderness.

Every tour and activity is researched by Princess staff and conducted by knowledgeable local guides. So whether you are in a town such as Juneau or Skagway, or at a Princess wilderness lodge in Alaska's heartland, you'll always be assured you're going to see and experience the real Alaska.

Living off the land

"We were mostly just concerned with surviving. We baked bread out in the yard, washed clothes on a board, melted snow... all the things you have to do to survive. I hope that when Princess guests come to visit with us, they can get a sense of what it's like to live off the land here in Alaska."

—Joanne Porterfield, Alaska homesteader

Take to the air. Get a higher perspective on it all with a helicopter, fixed wing or floatplane tour above the mountains, fjords and ice fields of Alaska. For something extra special, combine a flight with a hike or ice climb, dog sledding or a guided walk on a glacier.

Aquatic adventures. In a place surrounded by water, you'll want to get out for some whale watching, kayaking, river rafting, fishing or even snorkeling in Ketchikan.

Trail blazing. Take a walk on the wild side upon the trails of Denali, Kenai, Wrangell-St. Elias, Tongass and other great parks by mountain bike, horseback, ATV or forest canopy zip-line.

Historic highlights. Journey into the past on the White Pass & Yukon Route Railroad, channel your inner gold miner at authentic mining camps, and see some of the region's best totem poles.

Cultural pursuits. Get to know Alaska's most unique inhabitants — homesteaders, artists, bush pilots, dog mushers, trappers and wildlife experts. Or visit one of the region's Native villages where storytellers and performers introduce you to their original Alaska.

Choose from more than 300 exciting excursions including:

Find your inspiration on the Small Ships of Princess®

Some of the grandest experiences are to be found on our smallest ships. Be one of fewer than 700 guests — mostly adults — to sail in Europe with Ocean Princess® or Pacific Princess® in 2010. You'll savor a more relaxed, leisurely ambience than on our larger vessels, with lovely surroundings and a highly attentive staff. All the activities and amenities you would expect of a Princess ship are offered, yet on a smaller scale — with everything you could want easily accessible from anywhere on the ship. And many small-ship itineraries call in less-frequented ports that are inaccessible to larger ships.

If you're seeking the allure of cruising the way it used to be — intimate, unhurried, refined — set sail with the Small Ships of Princess.

Spend leisurely days at sea attending engaging lectures or art auctions, relaxing in the library or playing shuffleboard on deck.

A preview of your stateroom options onboard

For every preference and budget, there is a stateroom to match on each Princess® ship. Ranging from spacious suites to comfortable interiors, here's an overview of the stateroom options available.

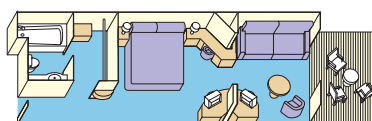

Princess pioneered the affordable balcony stateroom, and still offers one of the largest percentages of such accommodations in the industry. You'll find an ample selection of balcony staterooms on each of our ships.

Suite with balcony

Surrounding you with luxurious accommodations, a spacious suite with balcony includes all the amenities of a mini-suite, plus incredible premiums.

These include luxury balcony furniture, deluxe canapés, fresh flowers, DVD/CD player, free access to a DVD library, two flat-panel TVs, one complimentary mini-bar setup, a roomy walk-in closet, upgraded bathroom amenities, complimentary use of the Lotus Spa® Thermal Suite, laundry and professional cleaning services, and web access in the Internet Café. Approximately 468 to 932 square feet, including balcony.

Mini-suite with balcony

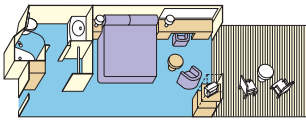

A mini-suite with balcony is substantially larger than a balcony stateroom.

It includes all the amenities of a balcony stateroom and these added luxuries: welcome glass of champagne, separate sitting area, sofa bed, luxury mattress and pillows, two flat-panel TVs, a spacious closet, desk, bathroom tub and massage shower head. Approximately 280 to 536 square feet, including balcony.

Your stateroom is your home away from home, filled with comforts.

Note: Family suite (category XS) not shown. Floor plans, amenities and stateroom diagrams represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Call 1-800-PRINCESS for more information.

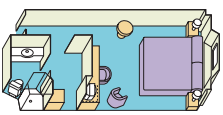

Oceanview double with balcony

This impressive stateroom offers the elegance of a balcony with fine patio furniture. Other amenities include a spacious closet, desk and a bathroom with shower. Approximately 179 to 277 square feet, including balcony.

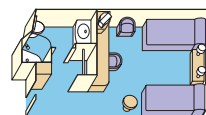

As an added indulgence, choose the affordable option of a balcony stateroom.

Deluxe oceanview

A slightly larger version of an oceanview double stateroom with the same fine amenities, including a picture window.

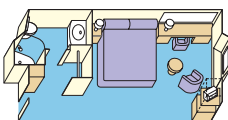

Approximately 171 to 217 square feet.

Interior double

Our interior stateroom is a great value. It features two twin beds that make up into a queen-size bed. Other amenities

include a refrigerator, hair dryer, TV, closet and bathroom with shower. Approximately 135 to 168 square feet.

Oceanview double

Our oceanview stateroom includes all the amenities of an interior double, plus it features a picture window, providing

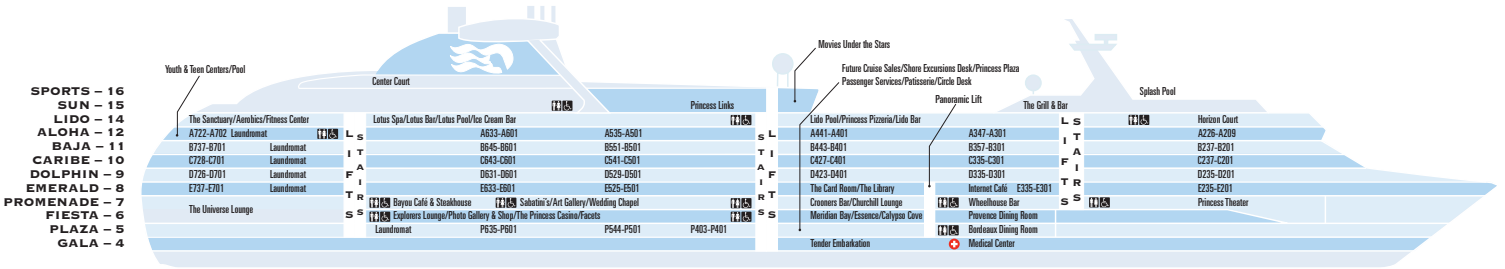

added ambience and memorable views. Approximately 135 to 194 square feet.

Protect Your Vacation Investment

Princess® Vacation Protection

You never know what might put your vacation investment at risk. The last thing you want to think about is what would happen if you became ill or injured while away from home. Fortunately, **Princess Vacation Protection can protect you from unforeseeable losses stemming from an array of circumstances, and even allows you to cancel your vacation for any reason at all.**

This program, like many travel protection programs, will refund 100% of your otherwise nonrefundable cancellation fees in the event of an emergency. Yet unlike similar programs, Princess Vacation Protection allows you to cancel your vacation no matter what the reason. Even if the reason for your cancellation does not qualify you for a full refund under the plan, you will still receive 75% of the nonrefundable fees in the form of a credit toward your next Princess vacation. That's a service unique to Princess Vacation Protection. And for those wanting even more peace of mind, Princess Platinum Vacation Protection doubles the limits of certain benefits and increases the voluntary cancellation credit to 100% of the nonrefundable fees. While both programs come with lost baggage protection, Princess Platinum Vacation Protection will even double those limits if your luggage is lost. Additionally, passengers who purchase both Princess Vacation Protection and Princess Air, and experience an air delay en route to their cruise, now have the option to file a trip delay or trip cancellation claim. If passengers are delayed for a covered reason, they are eligible for up to \$500 per person to cover costs associated with catching up to the cruise. If passengers opt to cancel their cruise after being delayed they are eligible for Future Cruise Credits of 75% for Standard Protection and 100%

for Platinum Vacation Protection. So protect your investment with Princess Vacation Protection or Princess Platinum Vacation Protection.

Frequently Asked Questions

- Q:** Am I covered by my Princess Vacation Protection plan if my mother, who is not traveling with me, develops pneumonia and I have to cancel my trip to care for her?
- A:** Yes. Princess will refund the cancellation fees (up to the full value of the cruise or cruisetour) if you cancel your trip because of a specified reason such as illness or death of the participant, a traveling companion or immediate family member of the participant.
- Q:** If I have a heart condition and am on continuing medication, will I be covered under the pre-existing conditions exclusion if my heart condition flares up during my vacation?
- A:** Yes. Your trip cancellation protection and medical coverage are subject to a pre-existing condition exclusion that applies if an injury, sickness or other condition affecting you, a traveling companion or an immediate family member booked to travel with you first manifests itself or changes within the 60-day period before protection begins. So, if you have no change in your health (even if you are on continuous unchanged medication) in the 60 days prior to purchasing Princess Vacation Protection, pre-existing conditions are not excluded.
- Q:** Is there anything else I should know about the pre-existing conditions exclusion?
- A:** Rest assured, your coverage for emergency evacuation is not affected by the pre-existing conditions exclusion. Also, if you do not qualify for cash reimbursement for your cancellation due to the pre-existing condition, you will have the benefit of cancel-for-any-reason protection from Princess.
- Q:** If my pet becomes ill and I have to cancel my trip as a result, will I be covered by my Princess Vacation Protection policy?
- A:** Although you would not qualify for cash reimbursement, as an added feature for purchasing Princess Vacation Protection, Princess will provide a credit toward a future cruise equal to 75% of the cancellation fees imposed (100% with the Platinum plan) if you choose to cancel for an uncovered reason.

Section I: Offered by Princess Cruises* 100% Trip Cancellation/Interruption Reimbursement

If you purchase Princess Vacation Protection, Princess will provide a 100% refund of otherwise nonrefundable cancellation fees in the event that you must cancel due to a covered illness, injury, or other specified event affecting you, an immediate family member, or your traveling companion.

Cancellation for any reason

With Princess Vacation Protection, you can cancel your vacation for any reason at all, and if the reason for your cancellation does not qualify for cash reimbursement, Princess will provide 75% of the nonrefundable cancellation fees in the form of a credit good toward your next cruise with Princess. This is not available in third-party policies. When you upgrade to Princess Platinum Vacation Protection, you'll receive future cruise credits of 100% of your nonrefundable cancellation fees when canceling your cruise for a reason that does not qualify for a full refund.

Air and hotel cancellation fee protection

If your air transportation and/or Cruise Plus Hotel Package has been booked through Princess, you will also receive a refund for these nonrefundable charges in the case of a covered cancellation, even though your plan cost is based on the cruise fare only.

* For New York residents, Section I Trip Cancellation, Trip Interruption and Trip Delay benefits are underwritten by Virginia Surety Company, Inc.

Section II: Underwritten by Virginia Surety Company, Inc., under policy number HTP04192 with travel assistance services provided by On-call International

Medical coverage

Medicare and many private insurance plans do not provide coverage outside the United States. With Princess Vacation Protection, you will be reimbursed up to \$10,000 USD in medical expenses for any illness or injury first occurring during your trip. Double your coverage up to \$20,000 USD with Princess Platinum Vacation Protection.

Emergency medical evacuation coverage

In extreme cases, you might need to be airlifted to an appropriate medical facility. Expenses of up to \$25,000 USD for emergency evacuations are covered with our standard plan and up to \$50,000 USD with our Platinum plan. Medicare and many private insurance plans do not offer this benefit, which is highly recommended for foreign travel.

Double your coverage

When you upgrade to Princess Platinum Vacation Protection, you will receive double the standard coverage for medical expenses, emergency evacuation and lost baggage claims. You'll also receive future cruise credits of 100% of your nonrefundable cancellation fees when canceling your cruise for a reason that does not qualify for a full refund.

Lost baggage protection

With our standard plan, you will be reimbursed up to \$1,500 USD for baggage or other personal property that is lost, stolen or damaged during your trip. Princess Platinum Vacation Protection doubles your reimbursement up to \$3,000 USD.

Baggage delay protection coverage

If your bags are delayed more than 24 hours at the start of your vacation, Princess Vacation Protection will reimburse up to \$500 USD per person for any personal items you may need to purchase.

Worldwide emergency assistance

Princess Vacation Protection provides you with a 24-hour hotline for medical, legal and lost travel document assistance worldwide.

Age restriction-free coverage

While some plans base their rates on the age of the traveler, Princess Vacation Protection does not.

Buy early for full protection

Trip cancellation and medical coverage are subject to a pre-existing condition exclusion that applies if an injury, sickness, or other condition affecting you, a traveling companion or an immediate family member booked to travel with you first manifests itself or changes within the 60-day period before you purchase the plan. So, the sooner you purchase the coverage, the more likely it is that any illness would be covered. While your Princess Vacation Protection plan cost may be paid at any time between deposit and final payment, trip cancellation protection takes effect only upon payment of the plan.

To purchase early, make sure to request that the plan cost be paid with your deposit. Payment of your cruise deposit alone will not activate the plan.

Princess Vacation Protection is available for 8% of cruise fare (with a minimum plan cost of \$39). Platinum Protection is available for an additional 4% of cruise fare (a total of 12% with a minimum plan cost of \$59) for fares up to \$4,999. Lower rates apply to cruise fares over \$5,000. Note that plan cost is subject to change.

IMPORTANT NOTE: This is just a summary of the plan. Please refer to the Plan Description in the Princess Vacation Protection information pamphlet at princess.com, which contains the complete details of the terms, conditions, eligibility requirements and exclusions, including the pre-existing condition exclusion and other applicable limitations. Princess is not an insurer. Any such insurance is provided and administered by an independent contractor. The Princess Vacation Protection information pamphlet is available from your travel agent, princess.com or by calling 1-800-PRINCESS. Please contact your travel agent or Berkely-Care, the independent administrator of Princess Vacation Protection, at 1-877-846-8833 with any questions. The insurance coverages in Section II, and for NY residents only trip cancellation, trip interruption and trip delay benefits in Section I are underwritten by the Virginia Surety Company, Inc., policy number HTP04192. Princess Vacation Protection is provided in addition to any applicable insurance or indemnity programs, where permitted by law, and shall apply only after benefits have been paid. Trip cancellation protection takes effect only upon payment of your Princess Vacation Protection plan cost. All other benefits are effective upon your departure for your trip.

Tips for your trip

Whether this is your first or fourteenth trip with Princess, you probably have several questions about the adventures awaiting you in port and onboard ship. So we've compiled a few of the most common travel questions you might have, to help you prepare for your trip.

Cool, temperate, hot...?

What type of weather conditions can you expect during your getaway with Princess? Check the handy guide at princess.com. Click the link to "Prepare for Your Cruise," and scroll down to "Cruise Answer Place — What to Bring?" A convenient chart of "high-low temperatures" by destination will help you figure out just the right items to pack. Of course, it's always a good idea to bring layers of clothing — perfect for any unexpected change in temperature. It's usually helpful to take along sunglasses and sunscreen, as well as a swimsuit for dipping into our onboard pools — no matter whether you're going to a warm or cool climate. For destinations noted for their precipitation, it's important to include an umbrella or extra windbreaker.

Dining from Alaska king salmon to baked Alaska

Dining throughout your cruise and cruisetour is a feast for the senses. And all your meals are included onboard the ship, except for alcoholic beverages, some specialty drinks, sodas, certain snacks and some alternative dining venues. Delicious, freshly prepared meals are available onboard our railcars and at our cruisetour lodges, but all meals are at your own expense unless otherwise specified in the daily tour itinerary.

Boutiques onboard

Treasures await your browsing eye in the Boutiques Onboard. So be sure to leave plenty of room in your luggage for purchases you make in our duty-free shipboard boutiques. Princess offers a 5-year guarantee on all fine jewelry purchases.

Shopping ashore

If you want to shop onshore, check the port maps for a list of suggested stores. Any bargainer worth his or her salt will love this onshore luxury. There's a shopper's guarantee for registered purchases at recommended stores.

How do I reserve tours?

There are guided tours in every port of call, on land tours and at our lodges highlighting great places to sightsee, shop and experience local culture. For your convenience, tours may be reserved 120 days in advance on a first-come, first-served basis, or they can be purchased onboard and at your lodge based on availability. You

can reserve your tours online by going to princess.com and selecting the Cruise Personalizer.[®] Please note that space is limited on some tours. Tour descriptions are available online and in the excursions brochure. Onboard, the ship's shore excursion staff can also help you with arrangements, as can the tour desk staff in our lodges. Tours are operated by local, independent companies, not by Princess, and Princess gets a commission on all tours sold.

What to bring

What should I wear on the ship? You should dress for cruising the same way you would for any stylish land-based resort. Casual sportswear, including shorts, lightweight pants, and jogging suits are the order of the day both at sea and onshore in hotter climates. Just remember to bring a sweater or jacket for cool evenings.

For evening dining, there are two designations for dress codes in our dining rooms: Smart Casual and Formal. When evening dress is Smart Casual, passengers dress as they would for a fine restaurant at home. Appropriate attire includes skirts/dresses, slacks, and sweaters or blouses for ladies and pants and open-neck shirts for men. Inappropriate dinner wear such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes), is not permitted in the dining rooms. Shoes must be worn at all times. On formal nights, appropriate attire includes evening gowns and cocktail dresses for ladies, and tuxedos, slacks with dinner jackets, or suits for men. Princess offers formal wear rental on all itineraries and this can be arranged prior to your cruise.

For shore excursions, you'll want to bring a sweater, a light jacket, or an all-weather coat, depending on your destination. Due to unpredictable weather, don't forget a hat or visor and a collapsible umbrella. Please be sure to wear proper clothing for visits to religious sites. You'll also want low-heeled, rubber-soled shoes for strolling on deck, as well as comfortable walking shoes or sandals to wear while exploring ashore.

LENGTH OF CRUISE	# OF FORMAL EVENINGS	# OF SMART CASUAL EVENINGS
2-6 Days	1	1-5
7-13 Days	2	5-11
14-20 Days	3	11-17
21-28 Days	4	17-24
29 Upwards	5 minimum	24+

Note: Dress code is subject to change with the ship's itinerary. The above is a general guide. The dress code suggested in the *Princess Patter* may vary from time to time.

What documents do I bring? You'll need your cruise Boarding Pass or Travel Summary, and airline tickets or airline eTicket receipts. In addition, you should bring with you a copy of the Cruise Passage Contract. All passengers, including children, must travel with a passport, valid for at least six months from the end of the cruise. You must also present vaccination certificates and other health documents if required for your particular ports of call. If you don't have the proper documentation, you will be prevented from boarding the flight or vessel without refund of the cruise fare and/or airfare, and you will be subject to any fine or other costs incurred by Princess. Please consult your travel agent for full details regarding documentation, as it is your obligation to determine what documents will be necessary. Remember your medical insurance ID card and travel insurance information as well. If you are traveling with children, please refer to the "Children" section under General Information for additional document requirements.

Taking care of business

What does the price include? Your comprehensive cruise fare includes onboard accommodations, ocean transportation, meals, some nonalcoholic beverages and most entertainment. Excluded are meals at some alternative dining venues, meals on hosted land tours unless noted otherwise, transfers and items of a personal nature such as, but not limited to, spa services, shore excursions, beverages and some snacks, photographs, gratuities, discretionary hotel and dining charges and medical services.

Do I need cash on my vacation? Yet another convenience of cruising with Princess is being able to sign for all of your shipboard expenses, excluding stamps. Casino chips, slot tokens and bingo cards can also be obtained on a casino room charge (for a nominal fee). You'll receive an itemized statement of all charges the night before disembarkation, and having registered your credit card at embarkation, your onboard account will automatically be settled on the day you disembark with no need to wait in line. We accept Visa, MasterCard, Discover Card, Diners Club, Carte Blanche and American Express/Optima. U.S. currency, Canadian currency, British currency, Euro currency and traveler's checks are also accepted. Those paying by traveler's checks or cash will be required to leave a \$300 USD per person cash deposit with the Pursers/Passenger Services Desk at the beginning of the cruise. Cruisetour passengers will find that traveler's checks and major credit cards are widely accepted in most ports of call.

When will I receive my documents?

Only Princess eTickets offers you the freedom and flexibility to access your booking details any time you want. Upon confirmation of your booking, you can use the Cruise Personalizer at princess.com to view your reservation, add or update your required Passenger Immigration Form (PIF) information, download required forms, and view and print a Boarding Pass and Travel Summary. At approximately 120 days prior to the voyage departure date, via the Cruise Personalizer, you will have access to view and reserve the shore excursions offered and book Lotus Spa[®] appointments available on your voyage.

To further help you plan for your vacation, upon full payment, Princess will send a Pre-Cruise Information Packet approximately 75 days prior to departure. This Princess-exclusive packet includes a letter detailing how you can prepare for your cruise, an Answer Book, excursion information, Passage Contract and luggage tags. Simply follow the Pre-Cruise Checklist in the Answer Book, access the Cruise Personalizer,[®] enter the mandatory immigration information, and you will be able to print your Boarding Pass. Cruise tickets are no longer issued by Princess. Also at this time you will be able to view air details if purchased through Princess. Any additional documents such as airline eTicket receipts or paper air tickets, etc., may be sent via fax, mail or email to your travel agent approximately 14 days prior to departure. If you do not have Internet access, your travel agent may assist you in securing the necessary information or call 1-800-PRINCESS (800-774-6237) for assistance.

Do you provide Express Check-Out?

Like the finest hotels, Princess offers a quick and easy check-out service onboard. Just register your credit card at embarkation or at the Pursers/Passenger Services Desk as early as possible during your cruise.

What is the discretionary Hotel and Dining charge?

During your cruise, you will meet many members of our staff in a variety of locations as they provide you with impeccable service. Additionally, many more crew behind the scenes support those who serve you directly. To save you the worry of who to tip and how much, Princess makes it easier for you to reward excellent service by automatically adding a discretionary Hotel and Dining charge of \$11 USD for suites and mini-suites, and \$10.50 USD for all other staterooms per passenger per day (including children) to your shipboard account on a daily basis. The

Hotel and Dining charge will be shared amongst all those who help provide and support your cruise experience, including the waitstaff, stateroom stewards and housekeeping staff, buffet stewards, food production staff, galley staff and others. (Casino dealers and Lotus Spa personnel do not share in the Hotel and Dining charge as not all passengers utilize these services.) Valid at time of printing.

What is the Bar and Wine charge? A 15% charge is automatically added to your bar charges and dining room wine account. This is shared amongst the beverage staff and their support staff, including cleaners and utility staff.

Do you offer travel insurance? We strongly recommend the purchase of Princess Vacation Protection travel protection, which covers up to the full value of your trip in case you need to cancel or interrupt your trip. There will be no refund of cancellation or interruption fees by Princess. You must recover such fees from Princess Vacation Protection or other travel protection. For a more complete description of this program, please refer to the Vacation Protection section of this brochure. Additionally, you will want to reference the Princess Vacation Protection information pamphlet for a full listing of the coverage provided. Please contact your travel agent for current rates.

How do I make arrangements for dining room seating and special diets?

Seating arrangements in the dining room are made by request on a first-come, first-served basis. To request Anytime Dining,SM Traditional first or second seating, special diets, or seating with a specific party, it is best to have your travel agent request your arrangements at the time of booking. Your dining arrangements will be shown on your Travel Summary.

What about clearing customs? At the end of your cruise, customs and immigration inspectors will review your customs declaration form, on which you are to list all of the dutiable articles bought in foreign ports or in the ship's boutique. U.S. residents returning to the United States are allowed a duty-free exemption of \$800 USD per person, which includes the cost of one liter of alcoholic beverages, if purchased ashore, for each passenger over 21 years of age. Canadian citizens, when out of the country for seven days or more, may bring back up to \$750 CAD duty-free. It is recommended that passengers keep their sales receipts handy for declaring their purchases. Food items should not be landed in U.S. ports.

Extra services

What about celebrations at sea? When you cruise with Princess, every day is a celebration. But if you're planning to travel during an anniversary, birthday, honeymoon or other specific event, you can rely on us to pull out all the stops. Simply have your travel agent advise us of such occasions at least three weeks prior to departure, and we'll be happy to spotlight your event in the dining room or with special packages (some charges may apply).

Are there babysitters onboard? Although private babysitting is not available on any ship, group kidsitting is available for children ages 3-12 between the hours of 10 p.m.-1 a.m. in the Youth Center on select vessels. The charge is \$5 USD per hour, per child. Complimentary supervised activities are available in port from 8 a.m.-5 p.m. for youth passengers ages 3-17. Due to limited facilities, group kidsitting is not available on Pacific, Ocean and Royal Princess.

How can I be reached at sea? To provide greater peace of mind while you're away from home, give friends and relatives the following information on how to telephone you. Call 1-900-329-SHIP from the United States or 1-900-565-2800 from Canada. Note that 900-number telephone services are not available from all areas, and may not be accessible on your home phone. For calls originating outside the United States or Canada, please visit princess.com/answer/ready.html for dialing instructions. Calls can also be charged to a credit card in both the United States and Canada by dialing 1-877-656-7447. Visa, MasterCard, American Express and Discover Card (not Canadian) are all accepted. The cost for each call is \$8.95 USD per minute or \$11.95 CAD per minute. The 900 service can be used to call or fax the ship. Please include passenger name and cabin number to ensure quick delivery.

Safety first

Princess Cruises' highest priority is the safety and well being of our passengers and crew. To support this, our ships are fitted with modern equipment and technology, and we have strong safety standards in areas such as crew training, safety systems and equipment, emergency response, fire prevention and detection, emergency evacuation, and accident prevention. To ensure our safety standards are met, we have comprehensive internal auditing processes, and we work closely with the U.S. Coast Guard, our Flag States

and other maritime authorities around the world. All Princess ships meet or exceed the safety regulations set forth by the International Maritime Organization (IMO) through its Safety of Life at Sea (SOLAS) convention. Through Cruise Lines International Association (CLIA), Princess is active at the IMO and helps to shape International regulations in a number of areas of safety.

Protecting the environment

Princess makes its living on the oceans, and therefore we are committed to environmental practices that will help preserve the marine environment in which we operate. We work closely with the regulatory and enforcement organizations that govern the cruise industry's environmental practices to ensure that our policies meet or exceed environmental regulations. Princess has invested millions of dollars fitting and developing waste management and garbage disposal technology including advanced waste water treatment systems

and ballast water treatment systems. Princess was also the first cruise line to equip its ships to use "shore power" — turning off ship engines in port and instead using surplus power generated on shore, thereby reducing air emissions in ports equipped with this technology.

Staying healthy

Norovirus is the most common cause of gastroenteritis in the developed world. As your health and safety is our highest priority, we have taken numerous measures to prevent and contain illness on our ships that meet or exceed standards set by the U.S. Centers for Disease Control and Prevention. All of our onboard medical centers hold the distinction of being the first and only facilities in the industry to be accredited to internationally recognized healthcare standards and certified to ISO 9001:2000. Our onboard medical centers are staffed by full-time British registered doctors and nurses.

There will be no refund of cancellation or interruption fees by Princess under any circumstances. You must recover such fees from your own insurance or from Princess Vacation Protection/ Princess Platinum Vacation Protection.

Cancellation Policy Exception. If you have purchased a specially priced promotion that is 100% non-refundable from the point of payment, you are not entitled to any refund, payment, compensation or credit whatsoever of your cruise or cruisetour fare if you cancel your booking.

Air Refund. Once airfare is paid in full, if air is cancelled, refunds may be available net of:

- any air deviation fee paid;
- a service fee of \$50 per person for voyages in North America or \$75 per person for international voyages;
- any cancellation fees charged to Princess or passenger by airlines.

Refunds will occur after the airline cancellation fees have been assessed. In the event a paper ticket was issued and the air tickets are not returned to Princess, there will be no refund.

Princess Vacation Protection. With Princess Vacation Protection, you'll be covered up to the full value of your trip. Please contact your travel agent for a description of this program and refer to the Princess Vacation Protection information pamphlet for specific details. Rates for Princess Vacation Protection and Princess Platinum Vacation Protection are subject to change without notice. Please contact your travel agent for current rates.

Baggage Handling. Princess makes every effort to assist its passengers in safeguarding their belongings and valuables, but all passengers' belongings are at owner's risk at all times. Hand or unlocked baggage, breakables, medicines, travel documents and valuables must be hand-carried by the passenger at all times. Princess is not responsible for money, jewelry, cameras, binoculars, documents or any other articles which you retain in your personal control or stateroom. To protect your valuables, we have provided a safe in each stateroom. For flights within land tours and to and from the ship, weight restrictions on baggage apply.

Stateroom Occupancy. Occupancy of any stateroom(s) is limited to the number of berths in that stateroom. Princess reserves the right to limit the number of upper berths and single staterooms sold.

Important Notice Concerning Safety. Princess visits a large number of ports in numerous countries around the world. At any given moment there are likely to be "trouble spots" in the world in terms of crime and/or war or terrorist actions. While Princess endeavors to provide reasonable protection for your comfort and safety onboard its ships, Princess cannot guarantee freedom from all risks associated with war, terrorism, crime or other potential sources of harm. The U.S. Department of State and other similar government agencies regularly issue advisories and warnings to travelers giving details of local conditions in specified cities and countries according to such agency's perception of risks to travelers. We strongly recommend that passengers and their travel agents obtain and consider such information when making travel decisions. Princess reserves the right to make any changes to any itinerary at any time.

Travel Agents. Your travel agent acts for you in making the arrangements, including your deposits and payments, for your trip/cruise. Travel agencies are not owned or operated by Princess. We invite you to visit your favorite travel agent to make your Princess reservations or call 1-800-PRINCESS.

Travel and Health Documents. Passport and visa requirements and regulations with regard to vaccination certificates and other health requirements for the various embarkation ports may vary by destination and change from time to time. It is the sole responsibility of the passenger to obtain and have available when necessary the appropriate valid travel and health documents such as passports, visas, vaccination certificates, etc., that are necessary for air travel, disembarkation at the various ports of call and re-entry into the appropriate country of origin. Passengers who do not possess the proper documentation will be prevented from boarding the flight or vessel without refund of the cruise or cruisetour fare and will be subject to any fine or other costs incurred by Princess which result from the lack of proper documentation. Passengers should consult their travel agent for full details regarding required documentation. If traveling with minors, please see requirements under Children section.

Health, Disability and Wheelchair Notice. Passengers must notify the Princess Fleet Medical Department in writing (fax number 661-753-0121) at the time of booking of any physical or mental illness, disability or other condition that may require medical treatment or render the passenger unfit to travel or which may constitute a risk or danger to the passenger or anyone else onboard the ship. Passengers are requested to notify the Princess Access Office in writing (fax number 661-284-4408) at the time of booking of any condition for which special accommodation or the use of a wheelchair, power wheelchair or scooter is contemplated or necessary. We recommend passengers using a mobility device travel with someone who is able to assist them both ashore and at sea. Some ports of call require tenders to go ashore and may preclude passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Passengers must bring wheelchairs for their own use on the land portion of a cruisetour and a Cruise Plus hotel package. If you have purchased Princess Flight Choice Air and have any special in-flight requirements like a wheelchair or oxygen, this request must be made directly by you with the air carrier. Not all airlines allow the use of oxygen in-flight.

Refusal of Passage and Premature Disembarkation. Passage may be refused to any passenger, and any passenger's vacation may be terminated at any time, at the risk and expense of the person disembarked, where the passenger's behavior, or physical or mental condition renders him or her, in the opinion of the ship's physician, unfit for travel or a risk or danger to himself or herself or to anyone else onboard the ship. Additionally, the ship's Captain may refuse transportation to any passenger or may terminate any passenger's voyage who, in the sole discretion of the ship's Captain, is believed to be dangerous to himself or others or whose presence onboard causes or may cause disturbances to Princess' passengers or crew, including those passengers engaging in excessive, disruptive, or obscene behavior. Such passenger may be left at any port or place the ship calls without any liability to Princess. Princess shall not be required to refund any portion of the fare paid by any passenger who must leave the vacation prematurely for any of

the reasons set forth above or who voluntarily disembarks or leaves the ship for any other reason, nor shall it be responsible for lodging, medical, meals, return transportation or other expenses incurred by the passenger. Princess reserves the right to refuse to do business with any person.

Medical Facilities and Staff. Princess is not a healthcare provider and is not liable for any act or omission of doctors, nurses or other providers of service or those under their orders with respect to the treatment, advice, care or services of any kind given by such persons to any passenger. These medical providers exercise their own medical judgment and expertise.

Pregnancy. Princess cannot accept passengers who will have entered the 24th week of pregnancy by the end of the vacation.

Children/Age Requirements. Children under six months are not permitted to travel to Alaska, Canada & New England, Caribbean & Mexican Riviera, Europe and Panama Canal. Children under twelve months are not permitted to travel to Africa, Asia, Antarctica, Australia, New Zealand, Indian Subcontinent, South Pacific, Tahiti, Hawaii, South America and on Transatlantic and Transpacific sailings. Princess reserves the right to restrict the number of those between the ages of six months and 17 years aboard the vessel. All passengers under the age of 21 years must be accompanied by a passenger who is 21 years or older. For family groups booking multiple staterooms, children may sail in a cabin without their parents or guardians, provided one child in the stateroom is a minimum of 16 years of age or older. Please note that notarized written consent for passengers under the age of 18 is no longer required by Princess. However, several countries require special documentation for children traveling without both parents; these requirements are subject to change without notice. It is your responsibility to ensure that you possess the proper documents for all of the countries that you will visit. Please verify requirements with the immigration offices prior to your cruise. Minimum age for escorted cruisetours is 5 years old. Passengers under the age of 18 are not permitted in the disco/nightclub after 11 p.m. Be sure to check with the Youth and Teen Centers for special disco events designed for kids and teens.

Pets. We are unable to accommodate any animals onboard the vessel, except for certain service animals of passengers with disabilities.

Shore Excursions and Land Tours. These tours are operated by local independent companies. In selling tickets for these optional programs, Princess acts only for other independent companies who provide such programs as independent contractors and from whom Princess gets a commission. Princess shall not be liable for any loss, damage, injury, illness or death arising from or occurring during a shore excursion or tour whether or not such shore excursion or tour was purchased through Princess.

Land and Air Arrangements. Princess shall not be liable for any loss, damage, injury, illness, death, cost or delay arising from or in connection with the services and facilities provided by or any act of an independent contractor such as airline, hotel, tour, restaurant, rail or any other transport operator, etc., whether or not such arrangements were made by Princess.

Cruisetour and Cruise Plus® Hotel Programs. Prices have been based on exchange rates at time of printing and are subject to change without notice. Princess reserves the right to substitute hotels of similar type and other features of the tour or hotel package. Bookings made for Cruisetours and Cruise Plus Hotel Packages after tickets have been issued may result in a higher cost due to changes in air reservations. Due to flight arrival times, rooms may not be available upon arrival. Hotel check-in times vary, but are generally between 3 p.m. and 5 p.m. unless otherwise stated. Check-out times vary between 10 a.m. and noon. All special requests such as nonsmoking rooms, king-size beds, etc. are at the discretion of the individual hotel property. Every effort is made to accommodate your request, but it cannot be guaranteed. Please note: single occupancy rooms may be quite small, with one twin, and triple occupancy rooms may have one double bed and a rollaway, not recommended

for three adults. Hotel loyalty programs are at the discretion of the individual hotel properties. Cruise Plus passengers will forfeit all complimentary hotel overnights which coincide with the Cruise Plus package. Hotels are not owned or operated by Princess. Sightseeing options are subject to change and cancellation due to lack of participation. Land programs require a minimum number of guests to operate.

Claims for Injury, Illness or Death/Notice

Requirements/Time Limits. Any incident or accident resulting in injury, illness or death to the passenger, whether occurring onboard ship, in connection with pre- or post-cruise accommodations, or during a shore excursion (independent or purchased through Princess), must be reported immediately to a ship's officer or Princess. Carrier shall not be liable for and no suit shall be maintainable for emotional or bodily injury, illness or death to the passenger unless (A) a written claim with full particulars is presented to carrier within six (6) months of the incident or accident and (B) a lawsuit on such claim is commenced within one (1) year from the date of the emotional or bodily injury, illness or death, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In all other cases, no lawsuit may be brought against carrier unless (A) written notice giving full particulars of the claim is delivered to carrier within fifteen (15) days of the actual or scheduled termination of the cruise, whichever comes first, and (B) a lawsuit on such claim is filed within six (6) months from the date of the actual or scheduled termination of the cruise or the cruise cancellation, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In certain situations, arbitration will be required. If you choose to sue Princess Cruise Lines, Ltd., all disputes and matters whatsoever against Princess arising out of or relating in any way to your cruise or the booking/cancellation of your cruise shall be litigated by you, if at all, in Santa Clarita or Chatsworth, California.

Smoking, Drinking and Gaming. At the time of printing, smoking is allowed in passenger staterooms, balconies and only in designated areas on deck and public rooms. However, show lounges, dining rooms and all food service areas onboard all Princess ships are nonsmoking. Passengers must be 18 (19 while in Alaska) years of age or older to purchase or smoke tobacco onboard all Princess ships. Passengers must be 21 years of age or older to purchase or drink alcohol or gamble onboard all Princess ships at all times. Passengers under 21 years of age are not permitted to purchase or consume alcohol or gamble onboard a Princess vessel. Please note that while Sun Princess and Dawn Princess are deployed in the Australia Market, the age for purchasing and drinking alcohol and gambling is 18 years old. Duty-free alcohol is available for purchase in our gift shops onboard and will be delivered to your stateroom on the last day of your cruise. Alcohol purchased at any port of call may not be consumed onboard. It will be collected at the gangway for safekeeping and delivered to your stateroom on the last day of your cruise, prior to disembarkation. You may bring one bottle of wine and/or champagne onboard to celebrate a special occasion. Wine and/or champagne brought onboard and consumed in the dining rooms or alternative restaurants will be subject to a \$15 USD per bottle corkage fee, which is subject to change.

FlightChoice Program and Passenger Transfer

Gateway Cities. The availability of the air travel program may be limited from each gateway. Princess reserves the right to withdraw any gateway city without prior notice. Within 21 days of departure, the air travel program is on a request basis and may be unavailable.

Ticketing. If you have purchased Princess FlightChoice or FlightChoice Plus air, you will receive an air receipt by fax or email with your electronic air ticket details. Depending on your itinerary, paper air tickets may be required and will be sent under a separate mailing. These tickets must be presented to the airline for travel. Princess reserves the right to choose the air carrier, routing and airport for each

gateway city. Princess may use a charter air service. Airfares used are capacity-controlled, promotional, may be nonrefundable and are subject to change. Princess may issue paper or electronic airline tickets. Airline tickets issued by Princess are highly restrictive and subject to cancellation and change fees. Because of this, you may find that your air ticket cannot be reissued, revalidated, or exchanged for another carrier or routing. All airline tickets are the property of Princess and must be returned to and are refundable only to Princess. Many airlines will charge a fee for one or more checked bags. Please contact the airline in your itinerary for details.

Flight Schedules and Changes. Flight schedules may require the use of overnight flights or connections en route to your final destination or cruise departure. Some air tickets may not be changed once issued.

Passengers booked in the same cabin but who originate from different gateway cities may not receive routing on the same flights. Passengers traveling together, but booked or deposited at different times, may be required to travel on different flights. Passengers traveling in groups may be required to travel on different flights.

Once air is paid in full, changes may not be allowed. Where allowed, a change fee of \$75 (domestic) and \$125 (international) will apply for the following changes:

- Changing a passenger's air city
- Changing first and/or last name on air reservations
- Flight dates, including canceling a Cruisetour or CruisePlus Hotel Package that necessitates changing Princess FlightChoice air arrangements
- Removing air from a booking

If air tickets have been issued before the air changes, additional air charges may apply.

Air Departure Taxes. Some countries require passengers to pay an airport departure tax which is not included on the passenger air ticket. The individual passengers are responsible for this tax. In most cases, this tax is collected at the airport upon check-in and may have to be paid in local currency. We recommend your travel agent verify any applicable tax for which the passenger may be responsible.

Airfares, Fees and Taxes. Airfares include air transportation and airline-imposed fuel surcharges. Air fees and taxes include any and all fees, charges and taxes related to air transportation imposed by U.S. and/or foreign governmental or quasi-governmental authorities, including, but not limited to, passenger facility charges, departure taxes, a September 11th Security Fee of up to \$10 per passenger, airport service charges and government inspection fees. Air fees and taxes vary by gateway city, routing, destination and carrier. Baggage fees may apply. Princess will provide you with an overall airfare (including fees and taxes) for each FlightChoice gateway city, however availability is limited and at the time you book your travel prices may be higher. For a current list of prices, please consult our website at princess.com or call our reservations department at 1-800-PRINCESS. Your final price for air transportation is not guaranteed until Princess receives full payment.

Air Customizations. Subject to availability, Princess will fly passengers directly to or from their cruise destination as requested by the passenger. A nonrefundable cost of \$50 per person for domestic flights and \$75 per person for international flights will apply per customization request in addition to any fare differential. Requests for bookings under deposit must be made between 320 and 14 days prior to departure. Where applicable, passengers confirmed to travel on days other than those normally scheduled by Princess will forfeit all complimentary hotel overnights and transfers between the airport and pier as provided by Princess. All customizations are subject to availability and confirmation. In the event of airline schedule change, it may be necessary to rebook custom air flights. Additional charges may apply. The final price for customized air is not guaranteed until Princess receives full payment. Passengers who have a special travel need or requirement for early air ticketing may request this service by calling Princess Cruises

reservations and asking for FlightChoice Plus. Provided the required flights are confirmed and the booking is paid in full, Princess can issue early air tickets. The fee for each request is \$50 for voyages within North America and \$75 for international voyages. Additional changes to the air reservations after ticketing may result in additional air fees or charges. Once ticketed, a confirmation will be faxed or emailed.

Airline In-Flight Service Requests. Airline seat assignments cannot be confirmed by Princess. We recommend that you have your travel agent contact the airlines directly for seat assignments, the addition of frequent flyer numbers to your airline record, or to request special meals. Please be advised that not all airlines provide pre-reserved seats, add frequent flyer numbers to records or apply frequent flyer bonus upgrades to flights booked by Princess. Some airlines now charge for advance seat assignments. Additionally, some airlines may not have passenger names until 45 days prior to departure. If you have specific air travel requirements, please take advantage of our FlightChoice Plus program. See the Princess FlightChoice section for details. Requests for wheelchair assistance or other special needs, such as oxygen in-flight, can only be made by you directly with the air carrier and are the responsibility of the traveler. Not all airlines allow the use of oxygen in-flight.

Overnights. For some cruise itineraries it may be necessary, due to flight schedules and/or availability of seats, for passengers to overnight either before or after their cruise. If it is necessary to overnight, hotel accommodations, baggage handling and transfers are at passengers' expense. Passengers will also be responsible for all meals and other items of a personal nature. Passengers may purchase a hotel accommodation/transfer package directly from Princess or they may choose to make their own arrangements. In select markets, complimentary overnights are assigned only at the discretion of Princess. Hotel selection will usually be at an airport location and may not be at the port of embarkation/disembarkation. You will be advised as soon as possible if an overnight is required.

Flight Reconfirmation. Most airlines do not require reconfirmation of flights; however, it is strongly recommended that you verify both flight departure times and flight numbers at least 72 hours prior to your departure from home. Princess is not responsible for airline schedule or flight number changes after tickets have been issued.

Princess' Transfer Program. Cruise and cruisetour passengers may purchase transfers from the port city airport to the ship and from the ship to the port city airport. These transfers are priced separately and are available on the turnaround day only. They are available to both FlightChoice passengers and to those passengers who have made independent flight arrangements. FlightChoice passengers will automatically have transfers included in their bookings. Passengers who have made independent flight arrangements must provide Princess with their flight information prior to purchasing transfers. Unused transfers are not refundable. Transfers within the land portion of cruisetours and for Cruise Plus passengers are included. Transfers at both ends of a cruisetour will be charged separately. Note: It is your responsibility to know the local regulations regarding child safety seats or other child restraint systems as well as to provide the appropriate safety device. Failure to do so may result in denied boarding on to the transfer vehicle.

Accuracy of Contents. The contents of this brochure are accurate as of the date of printing. Princess reserves the right to change any and all policies or practices described herein. Please refer to the website (princess.com) for up-to-date information. The Passage Contract will at all times govern the rights and responsibilities of Princess and all passengers or cruise purchasers.
